## MEMORANDUM FOR THE RECORD

SUBJECT: Fourth Quarter Procurement

25X1A9a

1. On Monday, 1 June 1964, a conference was held with Mr. [REDACTED] Deputy Chief, Contract Branch, Procurement Division, Office of Logistics, in connection with the status of outstanding requisitions to be processed during the last quarter of Fiscal Year 1964. As a result of this conference, it was determined that in all probability 25 requisitions were in line for processing broken down in DD/S&T components:

A. Office of Research and Development - Fifteen (15) cases involving audio counter surveillance for which funds were not available at this time but to be forthcoming in view of the urgency required for this project. One (1) case for which we have been holding for funds and at the time of this conference, it could not be determined whether the case would be processed from Fiscal Year 1964 funds.

B. Office of ELINT - One (1) case which was being held in the DCI's Office for approval and would be processed after such approval had been given. One (1) being held in the Office of ELINT pending the decision of [REDACTED] as to whether funds could be made available.

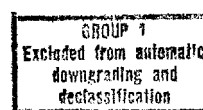

25X1A9a

C. Office of Special Activities - Two (2) cases which were to be processed in the very near future.

D. Foreign Missile and Space Analysis Center - Two (2) cases which were in the Office of the DD/S&T for approval.

E. Office of Scientific Intelligence - Three (3) cases to be processed.

2. The Office of Logistics was fully aware of this schedule and would make every effort to channel them in line for negotiation upon receipt

thereof. [REDACTED] was advised that every effort would be made on the part of this office to expedite the requisitions for negotiation particularly in those cases where funds are available and could be processed immediately. It was further indicated that in those cases which were being held for lack of funds, every effort would be made to expedite them upon receipt of such funds.
